

Risk Disclosure

Cryptocurrency trading online carries a high level of risk and may not be suitable for all investors. Therefore, please ensure that you have carefully considered your investment objectives, level of experience, and risk tolerance before attempting to trade cryptocurrency on Desto CX.com.

As with every investment, there is a possibility that you could sustain a loss of some or all of your initial investment. Therefore you should not invest money that you cannot afford to lose. You should be aware of all the risks associated with cryptocurrency trading online, and seek advice from an independent financial advisor if you have any doubts.

The above limitation may not apply to those who live in or are under the states/ jurisdictions that forbids the exclusion or limitation of liability for consequential or incidental damages. Please discontinue using our services if you are dissatisfied with any portion of the services or with any of these terms.

Risk Warning

Trading cryptocurrency is speculative and carries a level of risk that may not be suitable for all persons interested in trading online. You may sustain a loss of some or all of your invested capital, therefore, you should not speculate with capital that you cannot afford to lose.

The legal status of certain cryptocurrency may be uncertain which means that the legality of holding or trading the cryptocurrency is unclear. You are responsible for knowing and understanding how cryptocurrency will be addressed, regulated, and taxed under applicable law.

The trading of cryptocurrency carries a level of risk as values in any cryptocurrency are volatile and can shift quickly. You should pay close attention to the market position, holdings and impacts of shifting in trading and other market activities.
